

# CLASS ONE

## Summertime!

### Healthy BBQ!

While the older children are away visiting Chapel Porth next week, Classes One, Two and Three will be getting together for a summer "BBQ"! We will be making healthy food items with the children and then coming together in the playground, weather permitting, to enjoy each other's company and share the delicious foods each class has made.

### Francesca

I am sure the children have been coming home and telling you all about our class pet, Francesca the chicken. Unfortunately, Francesca has grown so much over the past few weeks that we have had to re-home her. She is now living happily in Mrs Hall's garden where she can continue to grow and enjoy the freedom and space that she deserves. Mrs Hall has promised to keep us updated on her progress!

## Visiting our local community

The children went on a field trip down Mutley Plain to experience the different shops and landmarks in our local community. They read road signs, visited a variety of shops, including a florist, the bank, a post office, the Polish shop, and a coffee shop, where we had a cup of hot chocolate! The children got to experience using a machine to pay money into the bank, posting a letter and buying food items with unusual labels.

## General notices and reminders:

- Towards the end of term, we are planning on putting out all of the lost property we have accumulated. Please watch out for a notice on the notice board to let you know when this will be. Any items not collected on that day will be donated to charity.
- We look forward to seeing as many of you as possible at our annual sports' day at Mount Edgumbe on Tuesday 28th June.
- As I'm sure you are all aware, this week is National Bookstart week. You should all have received a letter about the different events we have planned including: a visit from two parents bringing in live sea creatures; a trip to the Aquarium; story and craft sessions for parents and children; a teddy bear sleepover. We look forward to seeing as many of you as possible at the parent events.
- For any parents who are interested in learning more about the Early Years please visit [www.gov.uk/early-years-foundation-stage](http://www.gov.uk/early-years-foundation-stage).

## Special Guests!

As part of National Bookstart week, we were very privileged to have a visit from Harrison's parents who regularly go out in their boat to find sea creatures that can be displayed at the National Marine Aquarium. Mr and Mrs Dawe kindly brought in a selection of crabs, prawns, starfish and other creatures for the children to look at and learn about.

The talk was very informative and the children even had the opportunity to touch some of the sea creatures if they wished! We are very grateful to Mr and Mrs Dawe and would like to say a great big Thank You!

We look forward to seeing as many of you as possible on Thursday during our story and craft sessions. The children have also been talking about the teddy bear sleepover we are hosting after school on Friday at 6pm! They are very excited! Please don't let them bring their favourite teddy, though, as the teddies will be spending the weekend in school!!!
