The school council have voted Luke, Meghan and Douglas as your new welfare monitors.

Pet Day

There were lots of suggestions to have a pet day. The practicalities of bringing a live animal into school were decided by the council to be too great to allow this to happen but we did come up with the suggestion of still having a 'Pet Day' which will work for everyone. Watch this space for more details!!

Science Club

Again watch this space for more exciting detail as they are finalised.
