

Fletewood School Council Meeting Minutes

Friday 14th October 2016 10.30am

Mrs Rowe
Mr Cooper

Sydney Kingdom
Megan Gray
Muntaseer Hasan

Empty Suggestion slips

The school council would kindly ask that no more empty suggestion slips get put in the suggestion box as this wastes paper.

Science Fair

Mr Cooper and Mrs Rowe will discuss the possibility of having a Science Fair, probably to fit in with out upcoming Science Week. Watch this space for more details.

Jeans for Genes Day

Since Fletewood School already does a lot of charity and fundraising activities the council felt we could not support this as well.

Football team/sports club

Mr Cooper will look at running an after school sports club in the near future which may well involve football if there was enough people interested.

Cars in lane

Some concern has been raised about cars driving along the lane while children are coming into school. We will send another letter home to parents asking them to be careful and also reminding all pupils to take care when coming into school.

Cloakroom

In a bid to keep the cloakroom tidier we will be trialling everyone taking their lunch bag out of the cloakroom in the morning. Class 4 will keep theirs in their classroom and Class 3 will put theirs in the kitchen. This should avoid anyone having to go into the cloakroom during the day except on PE days. Mr Cooper and Mrs Rowe would ask that everyone makes a bigger effort to keep the cloakroom tidy though.

Elevator/lift

This is not a practical or healthy suggestion; we have nowhere to put a lift except for making the playground even smaller. Also it is very good exercise for you all to be going up and down the stairs on a daily basis. We are trying to be a 'Healthy School' and a lift will not help this at all.

Summary of decisions;

No lift in school

Lunch boxes out of cloakroom every morning; class 4's in their class and class 3's in the kitchen

After school sports club/football team is being planned

Reminder to everyone to take care in the rear service lane, especially in the morning when coming into school

The school council would like to thank you all for your suggestions.

Next council meeting will be 18th November 2016
