

CLASS ONE

Good to see you all back!

Snack time

The children continue to enjoy the freedom of choice at snack time in Class One. I would appreciate it if you could please provide your child's snack money either weekly at the cost of £1 per week or for the term at the cost of £11. Thank you.

Ice cream Thursdays

From next week, Mrs Goodman will be selling ice cream and ice lollies for £1 each on Thursdays. The money raised will go towards the PTFA funds which have been allocated to help improve the school's playground. If you are happy for your child to purchase an ice cream, please send them in with their money on Thursday mornings. Thank you.

Suncream

Your child will soon be bringing home a letter requesting permission to apply suncream. The school provides this at a cost of £1 per child unless you wish to provide your own. Please return the slip as soon as possible. Thank you.

Creating a Library

This term we are going to be thinking a lot more about books and what we enjoy about them. With this in mind, we are going to create our own class library. The children will be encouraged to write down the name of the book they are borrowing and their own name in the 'Library Log Book'. They will be able to take the borrowed books home for a few days and we would love it if you could share the stories with your children. Talk about what happened in the story, what they can see in the pictures, what their favourite part was and why they liked it.

To help us decide what our library should look like, we went on a trip to Central Library this week. The children had a great time and learnt a lot about the kinds of books they could borrow and how the system works. Come and have a look at our library as it progresses over the next few weeks!

General notices and reminders:

- As we are now in the summer term, many children have new or different uniform. We have noticed that some of the items haven't been labelled, including lunch boxes and PE clothes and shoes. Please check your child's clothes and lunch boxes as soon as possible so that we can avoid children going home with the wrong uniform. Please ensure that girls are wearing the correct summer dress. I would appreciate it if they could please wear white rather than black tights this term, please. This will be added in due course to the official school uniform list. Thank you.
- For any parents who are interested in learning more about the Early Years please visit www.gov.uk/early-years-foundation-stage.

Superheroes

We are thinking about superheroes this term, both fictional and real, and will be setting the children superhero challenges over the next few weeks. Towards the end of the half term, we might even have a superhero day when the children will be able to come to school dressed as their favourite superhero!

In the meantime, we are thinking about how we can all be superheroes ourselves with the way we help and treat others. It would be great if you could encourage your child to think of ways they could be a superhero at home and maybe share some of their ideas on Tapestry.
