Where small  
classes are the key  
to success

*... dedicated to the discovery of  
excellence in each child.*

# About Us

We are a small, Christian Independent school in the heart of Plymouth with an unwavering commitment to giving children the best start in life.

# Our Vision

We aim to make a positive difference in the lives of children, and assist them to strive towards their potential as they grow to become confident, competent and caring individuals.

# School Values

- ✓ COMPASSION
- ✓ CO-OPERATION
- ✓ HAPPINESS
- ✓ RESPECT
- ✓ RESILIENCE

Our school values are integral to everything we do and everything we are.

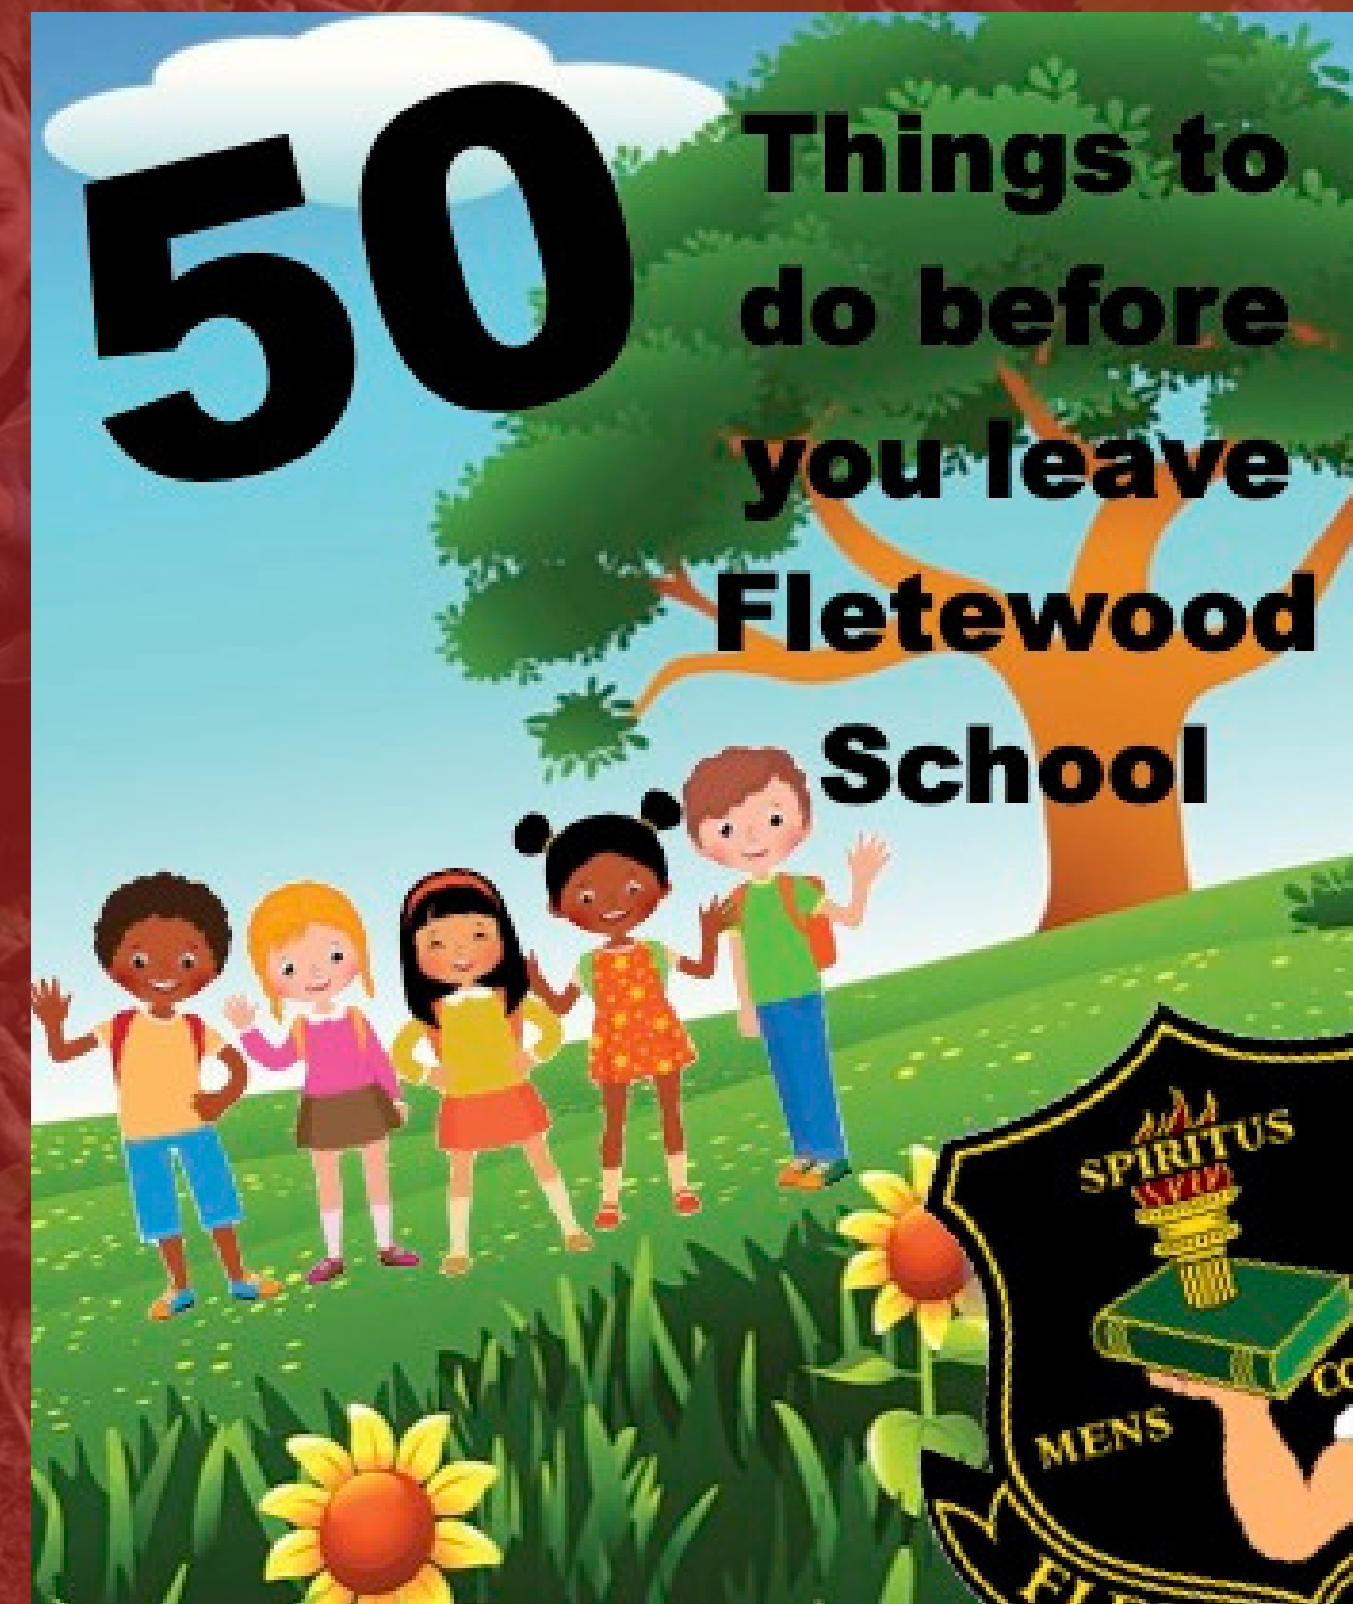

# Curriculum

Although we follow the National Curriculum, the education we offer your child is so much more than that. At Fletewood School, all children are encouraged to pursue their own interests, such as music, drama, sport, art, and more.

Every child from Reception to Y6 is given a '50 things to do...' booklet that they can spend their time with us completing. We feel it is important for children to expand their life experiences while with us.

Families are actively encouraged to work together to help their child complete their '50 things' book over the course of 7 years. We love to see how much of the world the children discover.

# Opportunities

All our children, from nursery to Year 6, get the opportunity to further develop their own interests by taking part in school trips to a variety of places.

Extra-curricular clubs are available for children in Years 1 to 6 and include a range of activities, for example: choir, art, cookery, gardening... Clubs change regularly to give children more choice.

# Community

We are immensely proud of our 'Fletewood Family' and embrace the multi-cultural diversity within our school.

We like to share our time with people in the local community, and regularly visit Residential Homes in the area, or litter-pick to help clean up our town.

# Fees and funding

Although we are a fee-paying school, our fees are the most competitive in the city, thanks to the generosity of our proprietors, the Seventh-day Adventist Church, who subsidise fees for every child in the school, regardless of religious affiliation. We also offer 30-hour funding for eligible 3 & 4-year olds.

You can see our current termly fees by visiting our website.

Call or email us to arrange a viewing. If we have space available in your chosen year group, you can request a taster day for your child. For full admission procedures, please visit our website: [www.fletewoodschool.co.uk](http://www.fletewoodschool.co.uk)

# Admission

We have limited spaces for 2-year olds in our nursery class. Apply now to reserve your child's place.

A young girl with dark hair in two buns, wearing a white shirt, a dark vest, and a striped tie, stands with her hands clasped in a prayer gesture. She is positioned in front of a green metal fence. Several tall sunflowers with yellow heads and green leaves are visible behind her. The background is a solid green wall.
